Introducing the first-ever Nissan

ARMADA *nismo*

NISMO-tuned

Adaptive Electronic Air Suspension¹

460^{hp} / 516^{lb-ft}

Twin-turbo 3.5-liter V6²

NISMO-forged

22-inch alloy wheels

Key Features

- NISMO-exclusive front and rear fascia, grille, fender flares, rear spoiler and side steps
- 35-horsepower increase (when using premium fuel only) over other Armada grades²
- Sports-tuned exhaust and Active Sound Enhancement
- NISMO-tuned electric power steering
- Charcoal quilted leather appointments with red accents
- LED fog lights, aluminum pedals and multicolor ambient lighting
- Second-row captain's chairs
- Five available paint colors, including NISMO-exclusive Stealth Gray
- Adjustable front seat side bolsters

Offered in SV, SL, Platinum, PRO-4X, NISMO and Platinum Reserve grades, there is an Armada for every adventure.

WHAT'S NEW

- NISMO grade builds on the well-equipped SL grade with functional performance enhancements and NISMO-specific design.
- For 2026, PRO-4X grade can optionally be equipped with second-row captain's chairs.

PRO-4X

- Enhanced off-road capability enabled by all-terrain tires, an increased approach angle, underbody skid plates, an electronic locking differential and Adaptive Electronic Air Suspension¹ for off-road capability.
- Adaptable to any terrain with eight selectable drive modes, Hill Descent Control and an Off-road Information display feature.
- PRO-4X-unique front fascia enhances approach angle for tackling obstacles, and includes functional tow hooks.
- Iconic PRO-4X design themes include numerous Lava Red accents, LED fog lights, black fender flares and other black exterior accents.

PLATINUM RESERVE

- Exceptional comfort includes massaging front seats, heated second-row seats and the effortless control of Biometric Cooling³.
- Beautifully crafted interior boasts quilted leather-appointed seating, leather-wrapped steering wheel with unique stitching and multicolor ambient lighting.
- Stunning visual enhancements include 22-inch machined and painted wheels, rear LED light bar, puddle lamps and body-color running boards.

IMPRESSIVE TECHNOLOGY

- Available dual 14.3-inch displays with Google built-in⁴ provide seamless connectivity.
- Maneuvering on-road and off-road simplified by available Invisible Hood View⁵, Front Wide View⁵ and 3D Intelligent Around View[®] Monitor⁵ camera systems.
- Nissan-first Klipsch[®] 12-speaker premium audio system fills the cabin with rich, lifelike music.
- Available ProPILOT Assist 2.1⁵ simplifies road trips with hands-off freeway driving.
- Standard Nissan Safety Shield[®] 360⁵ on all grades provides confidence and added peace of mind.

1. Lowering and raising action for Access mode can only be performed when vehicle is at a complete stop and parked. Please see Owner's Manual for full details and information before using.
2. Horsepower varies by trim level and use of fuel grade. Contact dealer for details.
3. System may not engage if sensor is obstructed. System does not have the capability to identify individual passengers. Please see Nissan Owner's Manual for feature information.
4. Feature availability varies by vehicle model year, model, trim level, packaging and options. Consumer activation of NissanConnect Services SELECT package ("Package") required. Package trial period included with eligible new vehicle purchase or lease. Trial period may be subject to change or termination at any time and without notice. After trial period ends, monthly subscription fee required. Driving is serious business and requires your full attention. Only use features when safe and legal to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Connectivity service required. App subscriptions may be required. Data rates may apply. Subject to third party service availability. Should such service providers terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to NISSAN or its partners or agents. Google, Google Play and Google Maps are trademarks of Google LLC. For more information, see www.nissanusa.com/connect/legal.
5. Driver-assist and safety features have limitations which affect how they function in certain situations. The driver must never rely exclusively on any vehicle feature to warn about, prevent, or lessen the severity of a collision. It is the driver's responsibility to always be in control, monitor the surroundings, and safely operate the vehicle. Read your vehicle's Owner's Manual for further information.
