1. Cloudburst Gray, Infrared, Ultrasonic Blue Mica 2.0 and Ultra White available for an additional charge. 2. Lexus Interface Services depend on certain factors outside of Lexus' control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://drivers.lexus.com/lexusdrivers/technology/interface>. For Lexus Interface Services' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy>. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable). For Safety Connect, stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Drive Connect service not available in every city or roadway. For Service Connect, information provided is based on the last time data was collected from vehicle and is not real-time data. Wi-Fi Connect service not available everywhere or in every vehicle. Valid in contiguous U.S. and Alaska. Up to 5 devices supported. Integrated Streaming requires subscription for third-party provider services. Wi-Fi Connect trial (if applicable) begins at time of enrollment and expires the earlier of: 3GB of data is used or 30 days after enrollment. 3. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply.
